Together, the Church of God International Women's Ministries is raising \$250,000 for the children of Indonesia. Child poverty is one of the most troubling matters the country faces. The lack of essentials such as adequate nourishment, education and healthcare is prevalent among the most vulnerable in Indonesia. Poppi's Dream is to minister to the children's heads, hearts and hunger. Through this God-sized dream, children are being educated, protected, fed and able to grow and thrive. There are three ministries in urgent need of assistance: Poppi's Kitchen (Feeding Centers), a school building in Papua, and two dormitories (one for boys, one for girls) in West Kalimantan. Help make Poppi's Dream a reality.
