

Alma Kelley was a powerful minister with a heart for missionaries, particularly women in missions. Once she discovered that many of these women could not afford new clothing for the General Assembly, she was determined to find a way to make that possible. From this desire came the benevolent ministry of *Alma's Closet*. Countless women have received clothes courtesy of generous donations from state offices, local churches, individuals and the tenacious, caring nature of Alma Kelley.

WHY SUPPORT ALMA'S CLOSET?

Serving our missionaries while they serve others.

Alma's Closet is made available at each General Assembly to women in missions who may visit, allowing them to choose from a wide variety of clothes and accessories. For many who have dedicated their lives to international missions, it is the only opportunity they have to receive new clothes to wear at the assembly. Additionally, each woman is anointed and prayed for before she leaves with her selections, which is an incredibly meaningful time for both the missionaries and the women of Redemption Point Church who sponsor this ministry.

Will you help us make *Alma's Closet* possible at this General Assembly? This ministry can only happen because of donations from people just like you. Your gifts of new clothing and financial contributions help us provide a tangible sign of love and appreciation to women in missions. Specific giving instructions are listed on the back of this brochure.
